2015 HOBO SIX 2021

Our Vagabond Series is a year-long monthly rotating series of specialty beers inspired and produced by our brewing team, highlighting their creativity and unique personalities.

On June 19, 2021 we'll celebrate 6 years of Lord Hobo Brewing Company. What better way to represent 6 years of hard work than with a beer as bold and daring as we are? This Triple IPA clocks in at 10%. Strong, just like our team, we strive for greatness in everything that we do. Hobo Six is a New England IPA bursting with tropical notes of pineapple, orange, and passionfruit. The tropical notes flow right into the taste hitting you with just a small hint of vanilla for the finish. Dive into the deep and complex layers of hops and cheers to 6 years of success!
