mimosa SOUR

Our Sour Series features quarterly releases only available for a limited time. Striking the perfect balance between sweet, juicy, and tart—each release showcases a different fruit highlighting complex and unique flavor profiles.

Mimicking the taste & appearance of the bubbly beverage that inspired this brew, our Mimosa Sour pours a glowing shade of orange and fills the air with fresh aromas of tangerine, blood orange, and sweet orange. Waves of pithy citrus and tart fruit combine on your palate before revealing a slightly sour, but dry finish.
